Golf Tazgzout Opens in October

Perched on a cliff 80 meters above the sea level in the heart of the new resort of Taghazout Bay golf Tazgzout (meaning green in Berber) will open its doors in October. Designed by Kyle Phillips, this 18-hole hugs the natural site and preserves maximum existing argan trees. At each hole from the terrace of the clubhouse, views of the Atlantic Ocean and the argan forests are spectacular. Managed by Braemar Golf, the golf wants environmentally friendly in managing its daily maintenance. If all golf facilities are ready (clubhouse, restaurant, pro shop ...), Hotel du Golf, managed by the Hyatt Group and located in the immediate vicinity of the route will be open until early 2015 Finally, argument again for its development, the golf Tazgzout is only 15 minutes from downtown Agadir!
